MEMORANDUM FOR 18 AF/CC ALL AMC WING COMMANDERS AMC STAFF

FROM: AMC/CC

402 Scott Drive, Unit 3EC
Scott AFB IL 62225-5310

SUBJECT: AMC Network Centric Solutions (NETCENTS) Implementation

1. This memorandum provides supplemental guidance to AF Chief Information Officer (CIO) memorandum, Information Technology (IT) Purchasing, dated 27 Jan 05 (attached). NETCENTS-provided solutions will ensure implementation of Air Force standards and ensure interoperability with Joint architectures.
2. AMC organizations requiring an IT contract will pursue a NETCENTS solution. Any current Small Business IT contract renegotiated under the NETCENTS contract vehicle will be reserved for small business under NETCENTS.
3. All IT contract efforts must use NETCENTS as the contract vehicle unless identified as exempt or waived by the AMC CIO.
4. All IT related purchase request packages will be processed through the NETCENTS contract vehicle unless an approved waiver or exemption certification letter is included in the purchase request package sent to contracting.
5. The HQ AMC contact for exemption status and waiver requests is Major Robert Leary, HQ AMC/A6 CIO, DSN 779-6574. The HQ AMC point of contact for contracting questions is Captain Brett Harry, HQ AMC/A7KP, DSN 779-0194.

A handwritten signature in black ink, reading "John W. Handy", is positioned above the printed name.

JOHN W. HANDY
General, USAF
Commander
