THE AIR FORCE SMALL BUSINESS ENTERPRISE APPLICATIONS SOLUTIONS (SBEAS)

OM Partners is a powerful team under the SBEAS contract. The SBEAS IDIQ contract is the preferred source of obtaining a comprehensive suite of IT application services and solutions for USAF PEO Business and Enterprise Systems (BES), and CO's shall consider the use of the SBEAS IDIQ contract vehicle first when meeting BES IT requirements. Also available for use by all other Air Force MAJCOMs and other agencies that support an Air Force requirement.

OM PARTNERS OVERVIEW

OM Partners is a Small Business Joint Venture with a proven track record of success in commercial and Federal Government. We have a deep understanding of the DoD network and environment and bring a demonstrated commitment to customer service and quality.

We are known for our consistent, repeatable, and high quality results grounded in well-defined processes Certified at CMMI DEV/SVC L3, ISO 9001, ISO20000, and ISO 27001. We use scalable commercial best practices and standards, including Agile Development, DevSecOps, and Open Source.
