

# SBEAS

## Partner Outreach Event

Fostering strategic and trusted partnerships to support the Air Force's mission to fly, fight, and win in the air, space, and cyberspace.

Citizant is an award-winning provider of professional IT services for the U.S. government. The SBEAS vehicle allows us to live our values to create a Better Future for the men and women of the U.S. Air Force. We are actively seeking partners, large and small, that share our business ethos of collaboration, transparency, and accountability. By honoring our individual strengths, we succeed together.

### Benefits of Partnership

- ✓ Trust and transparency with clearly defined expectations for mutual success
- ✓ Visibility into opportunity pipeline and performance
- ✓ Pre-registration of targeted opportunities
- ✓ Joint Project Management Reviews for enhanced visibility
- ✓ No limitations on subcontracting for similarly situated entities
- ✓ Mentorship, collaboration, and organizational development opportunities for very small businesses

### Organizational Maturity
