

Requirements Approval Document (RAD) #20392

1. General Information

RAD Name:	SB Enterprise Application Solutions Blanket RAD	Center:	AFLCMC
POC:	MCCANNA, SEAN T 2d Lt USAF AFMC AFLCMC/HICI	Wing:	AFLCMC/HI
DSN:	334-416-2354	Date Created:	3/6/2017

2. Description of CSS Requirement

Requirement Type:	AFMC Workload funded with AFMC dollars	Funding Source:	AFMC
--------------------------	---	------------------------	-------------

Description: The purpose of this Indefinite Delivery/Indefinite Quantity (ID/IQ) Contract is to provide a vehicle for customers to access a wide range of Information Technology (IT) Network Centric services and solutions that support the IT lifecycle. While the Small Business Enterprise Application Solutions contract is specifically established within the Business Enterprise System (BES) Directorate, this contract vehicle may be used by all other agencies that support an Air Force requirement.

The scope of this ID/IQ includes the comprehensive suite of IT services and IT solutions to support IT systems development and sustainment in a variety of environments and infrastructures. Additional supporting IT services include, but are not limited to, secure data and information services, information display services and managed business analysis for IT programs.

Current Contract Information:

Current Contract? Small Business
Contract Number: FA8771-12-D-1001 Thru FA8771-12-D-1012
Task Order Number: N/A
Contractor Name: Multiple
Contract/TO Total Cost (\$K): 1,848,000
Current Period of Performance: 21 Jun 2012- 20 Jun 2022
NAICS Code: 541511
PSC Code: D314

Impact of Non-Approval: If this requirement is not approved then each decentralized ordering activity will be required to formulate and execute their own unique contract based on FAR Part 15 procedures which will increase acquisition timelines for each activity as well as result in increased costs due to redundant FAR Part 15 acquisitions. In addition, disapproval will also result in non-standard contracts / processes for similar requirements within the Business Enterprise Systems Portfolio. The Small Business Enterprise Application Solutions Contract is the replacement for the NETCENTS 2 Small Business companion Contract.

3. Planned Acquisition Approach

Projected Award Date:	6/20/2018		
Follow-On Contract:	Follow-On Expected	Period Perform Start Date:	6/20/2018
Competitive:	Yes	Period Perform End Date:	6/19/2033
PEO:	AFPEO/BES	Procurement Org:	AFLCMC/HIK - FA8771
SCO Waiver Request:	Not Applicable		

4. Extended Use Justification

Not Applicable

5. Transition Plan

6. For Advisory and Assistance Services (A&AS) Requirements

Not Applicable

7. Certifications:

- The requirement described above has been reviewed for the most cost-effective and efficient means of accomplishment. Organic resources are not available to perform the CSS.
- The requirement described above is not an inherently governmental function as defined in Office of Federal Procurement Policy (OFPP) Policy Letter 11-01 'Performance of Inherently Governmental and Critical Functions' and FAR Subpart 7.5.
- Appropriate military or civilian DoD personnel—
 - Cannot reasonably be made available to perform the functions;
 - Will provide surveillance over contractor performance of the contract; and
 - Will perform all inherently governmental functions associated with the functions to be performed under the contract.
- In accordance with AFI 38-201, the appropriate manpower office has reviewed/coordinated on the proposed requirement.
- The requirement described above will not involve Government personnel supervision and is a non-personal service IAW FAR [37.104](#)

Coordinate before Wing Final Approval <u>HUNTER, HERBERT H JR NH-04 USAF AFMC AFLCMC/HI</u>	Concur 3/27/2017
Wing Final Approval <u>ALDRIDGE, RICHARD T SES USAF AFMC AFLCMC/HI</u>	Approved 3/28/2017
Final Approval <u>SAE</u>	Approved with Comments 4/25/2017

Approved via SAF Memo dtd 16 Apr 2017: sdl

Approval of this requirement does not guarantee funding approval, funding availability, nor acquisition strategy approval. Approval of this RAD does not supersede other approvals required prior to contract award; the requiring activity must separately obtain these other approvals from the appropriate authorities.
